

# HOW EFFECTIVE IS YOUR COLLECTION PROGRAM?

Are you recovering over 60%? Does it cost less than 10%?

## INTRODUCING THE CASH RECOVERY SYSTEM

### The Academy of Medicine of Toledo & Lucas County and NCSPlus Team Up to Increase Cash Flow

The Academy of Medicine of Toledo & Lucas County is proud to team up with NCSPlus (NCS), a nationwide leader since 1984 in the collection of delinquent accounts for the medical industry.

With over 30,000 customers, NCS's low cost, fixed-fee pricing structure is guaranteed to recover your slow paying and delinquent accounts.

We urge you to find out why integrating NCS into your accounts receivable process is a safe and easy path to measurable results and added cash to your bottom line.

### Highlights of the NCS Plus Cash Recovery System

The Cash Recovery System is a two-step Accounts Receivable Management program that was specifically designed to address medical practices primary concerns in working with traditional salvage collection companies ... alienation of their patients and the high cost of collections.

NCS's flat fee pricing structure will dramatically **reduce the cost** of your collections program, while our diplomatic approach gets results **without alienating** your patients. Removing these barriers to using a collection agency, allows Medical Practices to introduce a 3rd party earlier in the A/R lifecycle ... **dramatically increasing recoverability ... and CASH FLOW.**

#### NCS is the Best Value in the Industry.

No matter the age or the size of the balance, our entire cash management fee is traditionally less than ten percent (10%).

#### Our Recovery Rate is 4x that of the National Average.

Our low fixed fee approach allows our customers to turn over accounts sooner...significantly increasing the recovered dollars.

#### Direct Pay—Gross Remit to You.

NCS Plus does not interfere with your cash flow—all recovered monies are sent from your patient to you.

#### Reduced Internal Operational Costs.

By involving NCS in your process earlier, you will be able to focus your internal efforts on the newer invoices, cutting costs and decreasing the need for collections.

#### Guaranteed Results.

WE GUARANTEE that we will recover over 4 times your investment...or we will refund your money. In addition, on your first order of Level 2 accounts and above... WE GUARANTEE to collect every account you give us— regardless of age, or you will get another account free. This is a no risk opportunity for you to try out our service. You will be glad you did!
